STUDENT SERVICES

1. To provide various services to students, College has started an e-center in the premises in 2014. Since then few hundreds of students have applied for and got Passports at free of cost. Also few of the students got their existing Passports renewed.
2. Similarly many hundreds of students have applied for and got PAN-cards without any cost from the e-center.
3. Free internet is provided for hostlers for their studies and also for their project works.
4. Merit scholarships are provided to students on the basis of their merit from their +2 marks and also B.Tech., / M.Tech., marks.
5. Matching grant is provided by the college for innovative project works that are proven in the exhibitions.
6. Subsidized food is being offered to students during lunch @ Rs.40/- only while it costs about Rs.65-70 in the market.
7. The college has 8 student clubs and number of students are pursuing their hobbies and passion through them. College is supporting their activities by incurring large amounts.
8. Workshops attended by students are being supported by college by providing matching grant.
